About Kelley and Cricket

Kelley and Cricket is a food blog devoted to grain-free and paleo recipes that are family-friendly, delicious, and easy to make. Our mission is to make healthy eating a surprisingly delicious and indulgent endeavour! We also create grain-free treats for furry four-legged family members as well!

Who are Kelley and Cricket

We are a mother-pup team who feel most at home in the kitchen. We are passionate (ok, maybe obsessed) with nutrition and the impact food has on our bodies. Our goal is to increase our readers' well-being, health, and happiness beginning with what they eat.
